

Capacity building on corruption prevention, ethics and integrity workshop

The University of Nairobi, College of Health Sciences (CHS) held a ethics and leadership sensitization workshop for the heads of departments/units and student leaders on 15th June, 2016.

The event which was held at CHS School of Medicine boardroom was aimed at sensitizing the participants on corruption prevention, ethics and integrity.

Present during the workshop were CHS Principal, Prof. Isaac Kibwage, senior officers from UoN Legal Office, Procurement, and the School of Law.
