

DR. ROSE J. KOSGEI DR. ANNE B. KIHARA AND CONDUCT THE 6TH STRUCTURED OPERATIONAL RESEARCH TRAINING INITIATIVE (SORT IT) COURSE IN KENYA

The SORT IT course is a practical and output based course by the University of Nairobi(UoN) in collaboration with the Ministry of Health and the World Health Organization Special program for Research Training in Tropical Diseases (TDR).

It is delivered in three modules

Module I: Research Questions and protocol Development

Module II: Data Management and analysis

Module III: Writing a scientific paper

Dr Kihara in one of the one-on one mentorship sessions during module one of the SORT IT training at Gracia Gardens Hotel.

Module I workshop was held at the Gracia Gardens Hotel in Nairobi from the 6<sup>th</sup> to the 10<sup>th</sup> of March 2017, module II and III are to follow on 10<sup>th</sup> to 14<sup>th</sup> April and 12<sup>th</sup> to 16<sup>th</sup> June 2017 respectively. Participants for these three modules are drawn from the Ministry of Health's Division of Leprosy, Tuberculosis and Lung Disease (DLTLD) with observers from the UoN's Department of Obstetrics and Gynaecology. Professor Omondi Ogutu, the chairman of the department of the UoN Obstetrics and Gynaecology is one of the facilitators.
